4X4 TRAIL

The **Bedrogfontein 4 x 4 trail** between Kabouga and Darlington areas of the park provides breathtaking views and is rich in history. This route was the scene of fierce battles between the British and Afrikaner troops during the Anglo-Boer war. Rock art paintings are found scattered throughout the area. The route travels through a variety of vegetation types, from riverine thicket, to afro-montane forest, to fynbos on the peaks and into the arid nama-karoo of the Darlington area.

The route is only suitable for vehicles with 4x4 and low range facilities, both because of terrain and to cause minimum impact on the environment. The route is graded 2-3 but a grade 5 river crossing is an option (river conditions should be checked with the ranger). This 45 km route can be easily traveled within six hours.

The route is self-driven and can be followed either from Darlington to Kabouga or from Kabouga to Darlington. Kabouga is situated about 40 km (one hour's drive) from the main park entrance, near the town of Kirkwood. Darlington is situated about 150 km (two hour's drive) from the main park entrance.

Accommodation is available at Kabouga House or Mvubu campsite (camping only) on the Kabouga side. On the Darlington side, very rustic fishermen's cottages or the luxury Darlington Lake Lodge are available.

Cost: **R350 per vehicle per day** plus conservation fees per person.
